**What is the purpose of using images and sounds of my child/myself?**

Avery Street Christian Reformed Church would like to use photographs; video, etc. of your child or you in promotional materials like pamphlets, church bulletins, websites, newsletters, etc.

Avery Street Christian Reformed Church will also continue to photograph your child without your permission for church memories such as if your child is in the school music program, worship services, choir, band, plays, sports, and other church activities etc. This is the typical public areas and events.

**Why do you want a release for my child/myself?**

The church wants you to be informed of our intent and possible use of photographs and videos that may contain images of your child or you.

**Who does this apply to?**

We are asking permission for children, parents and other adults. For example, at a church event, your picture may be taken. That photograph may then be put on the Avery Street Christian Reformed Church web site for your enjoyment and for the world to see what Avery Street Christian Reformed Church is like.

**Will I have my child(ren)'s name(s) or myself listed?**

It is not our intention to publish individual names with photographs used by Avery Street Christian Reformed Church except if they are related to a specific news item about the individual. Group shoots or team pictures would only indicate what group they were. However, church pastors, staff and officers would likely have their names listed.

**How long is this permission valid?**

There would be no limit. However, permission may be rescinded at any time.
